## Winter Safety Tips

*From the American Red Cross*

- Dress in layers of lightweight clothing to stay warm. Gloves and a hat (covers ears) will help prevent losing body heat.
- Wear waterproof, insulated boots to keep feet warm and dry and maintain your footing in ice and snow.
- Take breaks when shoveling snow. Seek medical attention immediately if you have symptoms of hypothermia, including confusion, dizziness, exhaustion and severe shivering.
- Watch for symptoms of frostbite, including numbness, flushed gray, white, blue or yellow skin discoloration, or waxy feeling skin.

- Minimize travel. If it is necessary, keep a disaster supplies kit in your vehicle.
- Don't forget family pets – bring them indoors. If they can't come inside, make sure they have enough shelter to keep them warm and that they can get to unfrozen water.
- Avoid frozen pipes - run water, even at a trickle, to help prevent them from freezing. Open the kitchen and bathroom cabinet doors to allow warmer air to circulate around the plumbing. Be sure to move any harmful cleaners and household chemicals out of the reach of children. Keep the garage doors closed if there are water lines in the garage.
- Keep the thermostat at the same temperature day and night to help avoid freezing pipes.
- Download the Red Cross First Aid App for quick, expert advice on what to do in case of an emergency. This free app is available on the Apple iTunes or Google Play stores.
- Never use a stove or oven to heat the home.
- Space heaters should sit on a level, hard surface. Keep anything flammable at least three feet away, (i.e.) paper, clothing, bedding, curtains or rugs. Turn off space heaters and make sure fireplace embers are out before leaving the room or going to bed.
- If using a fireplace, use a glass or metal fire screen large enough to catch sparks and rolling logs.
- Use generators correctly. Never operate one inside the home, including basement or garage.
- Don't hook a generator up to the home's wiring.

### Administrative Care Coordination/Ombudsman Services

# Need help understanding your Medicaid benefits?

Questions about Community Resources in the area?

Can't find a Dental Provider?

Can't find a Doctor?

**Contact the Administrative Care Coordination Unit (ACCU) at Kent County Health Department**

**Call 410-778-7035**

#### What is HealthChoice?

HealthChoice is Maryland's Medicaid managed care program. Most people who qualify for Medicaid are required to enroll in a Managed Care Organization (MCO). It is best to select an MCO that your doctor participates with. If your doctor does not participate in the MCO you select or are assigned to, you will need to choose another primary care doctor (PCP) to oversee your medical care.

#### What is a HealthChoice MCO?

An MCO is a group of doctors, clinics, and other health care providers who work together to take care of HealthChoice members health care needs. MCOs are responsible to provide or arrange for most of your health care services including most pharmacy services. Some services such as mental health and substance use disorder services and certain drugs are covered by the State and not your MCO.

#### The Administrative Care Coordinator serves as a local resource for all HealthChoice members. The ACCU can:

- Help you understand your HealthChoice benefits and how to access services
- Explain your MCO choices
- Help you find a primary care doctor or specialist in your MCO's network (You can change PCPs at any time.)
- Help you find a dentist (Dental services for children and adults are covered through the Maryland Healthy Smiles Program.)
- Help link you to Medicaid transportation services (MCOs are not required to provide transportation.)
- Help you get your prescriptions filled
- Explain the health care services you can get out of network and without a referral, like prenatal care (if you already started prenatal care) and family planning services
- Explain your annual right to change MCOs

#### More examples of help that is only a phone call away:

- More examples of help that is only a phone call away
  - Explain how to renew your Medicaid benefits through the Maryland Health Connection
  - Explain how to keep your information updated and how to get a new Medicaid card if your card is lost or stolen
  - Help you resolve a billing issue
  - Explain your appeal & grievance rights
- Target populations include children, pregnant and postpartum women, individuals with disabilities (physical, mental or developmental), and homeless individuals. The ACC can help anyone who is eligible for HealthChoice.

#### Ombudsman

The local Ombudsman acts as an advocate for your health care needs. An Ombudsman may contact you when there are complex medical issues involving care coordination with the MCO. The HealthChoice Program may also request that an Ombudsman contact you to ensure that any complaints that you have about your health care or MCO have been resolved.

# Valentines Day Facts

Valentine's Day dates back to Ancient Rome. A Pope initiated Valentine's Day to tamp down "Un-Christian" celebrations.

St. Valentine is known as the Saint of "More Than Lovers." No one is entirely sure who St. Valentine really was...it has remained a mystery.

Geoffrey Chaucer made the first reference to Valentine's Day as a romantic holiday. The first Valentine note was sent in 1477. The Victorians sent rude cards on Valentine's Day.

The first heart-shaped chocolate boxes appeared for Valentine's Day in 1861. Esther Howard pioneered the modern Valentine's Day card.

Hallmark started mass-producing Valentine's Day cards in 1913. People send more cards for Valentine's Day than almost any other holiday.

Candy is the most common Valentine's Day gift. During the COVID-19 pandemic, Valentine's Day jewelry sales spiked. 6 million people get engaged on Valentine's Day.

## Getting Acquainted With Herbs

Fragrance has a universal appeal. Rose, the symbol of love, is one popular scent. Rosewater made from the petals is an ancient cologne which can also be used to flavor cakes and cookies and is often an ingredient in Mideastern cuisine.

Cologne can be made from a single flower such as a rose, jasmine, or gardenia or from herb plants like lavender and patchouli.

George Washington's favorite cologne - known simply as number (a numbered identification given to formulas while blending) - is still produced by originator Caswell Massey. Washington frequently purchased the product for his use and was also known to have given it as a gift to the Marquis de Lafayette.

Caswell Massey, founded in 1752, is the oldest chemist and perfumers brand that is still in operation in America. Their motto is *America's Original*.

White rose perfume, a favorite of Dolly Madison, was introduced for women by Caswell Massey.

Cleopatra drenched the sails of her barge in rose water and covered the floors of her palace with rose petals.

The use of rose petals was considered a symbol of beauty and romance.

In the language of flowers, the red rose is known as a symbol of love. Yellow stands for jealousy, pink conveys gratitude, white is for purity, and black roses are most frequently associated with mourning.

The fragrance of cut flowers can be extended by drying them for use in a potpourri. Save the carnations and rose petals from valentine bouquets! Dry them on an elevated screen or paper towels, then mix with spices, herbs, and orris root for a homemade potpourri. Add chopped vanilla bean or cinnamon sticks for a long lasting scent. Essential oils or your favorite fragrance oil can also be added to preserve the scent.

A good blend for a simmering potpourri is lavender, mint, and torn eucalyptus leaves.

A simple blend of orange peels, apple cores, and bay leaves in water, simmered on stove top, will provide a fresh and pleasant aroma.

Create your own blend by using materials on hand and adding new ingredients as needed.

A change in ownership and name of one of Chestertown's oldest firms was announced this week with R. Clark Davis purchasing from C. C. Jones the latter's share of the business they conducted under the name of Jones and Davis Hardware. Henceforth the firm will be known as Davis Hardware. The business was originally established by Chapman and Lambert. The late John C. Davis, a former sheriff, started an implement business sometime after the turn of the century, and a few years later he and the late Charles N. Satterfield bought the carriage works and blacksmith shop of Chapman and Lambert.

## The Journey

It's early February of 1962, at age 17, with my father's consent I enlisted in the U.S. Naval Reserves. Mom had had cancer and had recently passed away.

It's the summer of 1962, here she comes walking down the street and into my life, she's wearing tan peddle pushers, white blouse, white sneakers, a barrette with a tiny bow on it in her hair. I was in awe of her beauty, her smile, her blond hair, and her femininity, to me she was head to toe perfect. Where has this girl been all my teen years?

She's not my first romance, after all I had my own car. Back then girls were more likely to date boys with a car.

Our first date was a double date, of course at a drive-in theater. The first kiss and the thousands that have followed remind me of the Jimmie Rodgers song "Kisses Sweeter Than Wine". It closely mirrors our life. We started dating. Eventually they became regular and frequent, shopping together, day tripping to state parks, amusement parks, joining a bowling league, just being together with her brought joy to my life.

While christmas shopping together at a Montgomery Wards I abruptly stopped at the jewelry department counter, diamond engagement rings were in the display case. Looking into your eyes I said, "pick one". You looked down at the rings then up at me, questioning, "are you sure?", Answering, "yes ", and now with a huge beaming smile, you looked down at the rings and within seconds, pointing saying "that one". That was my surprise proposal to you, it had not been preplanned and I took the words "that one" as your acceptance. In an attempt at humor I told you I would pick out a date unforgettable for me, I did, Groundhogs Day

Now, 2pm on February 2, 1963, two weeks short of my 19th birthday, I'm in a tuxedo, standing at the alter of St. Clements's Church, in Rosedale, noticeably trembling, wondering what am I doing?, Am I mature enough?, Am I able to support her?, Am I ready for what the future would bring?. My loving you was never in question, that was a fact of life. The wedding guests are all seated, the wedding march begins. I turn to face your approach. Your brother Joey is walking you down the aisle and giving the bride away. Your father whom I had never met, had also passed away from cancer. I was again amazed at your beauty and your grace.

Joey gives me your hand, the trembling and all my worries melt away as I touch it, I give you a reassuring smile. It's cold and gloomy outside, light snow is falling but seeing you has made this day bright, warm and cheerful.

Five wonderfully magical months pass. The Navy calls me to active duty. A flight to Spain put me on a destroyer in the Mediterranean Sea in February 1964 just two weeks before your due date. Notification of the birth of our first child, a beautiful little girl, arrived 3 days after her birth. Your letters and photos take weeks to arrive. It will be nearly six months before I see and hold you both.

I have to speed this journey up. I was only going to do this in snippets but got carried away with the memories.

To our four wonderful caring children, eight grand children and currently, seven great-grand- children, I hope each of them will keep and treasure our romanic journey.

This journey that has taken us on the road to the Golden Years had its rough spots, at times hard work for both of us, but you kept us going. Most of the time you did without things for yourself for the sake of me and our children. That's what wives and mothers do, family first.

This writing could have been summed up in these 14 words, "Carol, I am and always will be in love with you, Happy 63rd Anniversary" I believe in my heart I was in love with you the instant I saw you but didn't realize it. (I didn't forget Groundhogs Day, but because of the printers schedule I have chosen the belated option for publishing this article in the Valentines Day edition of the Tidewater Trader with selected photos.) Have a Happy and Blessed Valentine's Day.

Now could your husband sum up a romanic but sometimes turbulent 63 year journey into marriage with his perfect life choice in just 14 words? No he could not.

I hope my remembrance of our journey together brings a smile to your face and a tear to your eyes as it did to me.

God bless you Carol, yours always .

Your loving and most grateful husband,

*William*

*"Now that I am old and ready to go, I got to thinking what happened along time ago, had a lot of kids, a lot of trouble and pain but oops oh Lord, I would do it all again, because you still have 'kisses sweeter than wine.'"*

*Sally Brompton* **WEEKLY HOROSCOPE**  
Your weekly horoscope by Sally Brompton • February 16-22, 2026

**If Your Birthday Is This Week:** A Sun-Uranus link at the start of your birthday week will bring all sorts of unexpected developments. Some will be welcome and some will not but all can be utilized to change your life for the better. The future is always what you choose to make of it.

**ARIES (March 21 - April 20):**  
If someone gives you unasked for advice this week don't tell them to mind their own business because they could be doing you a very big favor. It may be they can see something you have missed, something that could save you a lot of money.

**TAURUS (April 21 - May 21):**  
You need to raise your sights on the work front and do things that get your superiors talking about your talents. You may not be the most flashy member of the zodiac but when you get going there is usually no stopping you.

**GEMINI (May 22 - June 21):**  
A shift in the way you approach life could result in big gains over the coming week, so don't be afraid to experiment with new ideas and new methods. You won't get everything right but you will do enough to stand out from the crowd.

**CANCER (June 22 - July 23):**  
A more understanding approach to how you deal with people will be needed over the next few days. It would help immensely if you could see past your differences and notice instead the things you have in common, of which there are plenty.

**LEO (July 24 - Aug. 23):**  
Your problems are not as bad as you think they are and what occurs around the time of the solar eclipse on Tuesday will cheer you up no end - and your more upbeat outlook will have a welcome knock-on effect on your relationships.

**VIRGO (Aug. 24 - Sept. 23):**  
Try not to be too desperate to make major lifestyle changes this week. Those kind of things work best when both your head and your heart are in full agreement about what needs to be done, and they're not quite in sync yet.

**LIBRA (Sept. 24 - Oct. 23):**  
Over the next few days you will be in one of those moods when you genuinely believe you can take on all comers and win. That's a great place to be but you need to recognize that, while you may be big, you're not yet the biggest.

**SCORPIO (Oct. 24 - Nov. 22):**  
You will get the chance this week to turn around a relationship that has been on a rocky road. To start with you will need to show that any bad feelings you had about previous disputes are now forgotten - and you must mean it.

**SAGITTARIUS (Nov. 23 - Dec. 21):**  
What occurs this week will be hugely exciting and will also inspire you to reach out to other people and do more in the world. Someone new to your social circle will open your mind to new possibilities and maybe stir your emotions as well.

**CAPRICORN (Dec. 22 - Jan. 20):**  
The safe way is not always the best way and over the next few days you must take a few more risks. They don't have to be big risks but they do have to take you closer to your goals. This is no time to be afraid of success.

**AQUARIUS (Jan. 21 - Feb. 19):**  
There is a solar eclipse in your sign on Tuesday and the Sun leaves your sign the following day, so there is still time - just - to do something amazing. Put a name to your dream and then go after it with unrelenting passion and power.

**PISCES (Feb. 20 - Mar. 20):**  
A very personal issue needs to be resolved and the upcoming solar eclipse will put you in the perfect position to deal with it once and for all. Be careful and be kind but don't let anyone stop you doing what you know must be done.

**Maryland's Tax-Free Weekend on Certain Energy Star Products is February 14<sup>th</sup>-16<sup>th</sup>**

Shop Maryland Energy Weekend is an annual three-day period in February when Maryland's 6% sales tax does not apply to the sale of qualifying Energy Star products. Shop Maryland Energy will occur in perpetuity (or until legislative amendment) from the third Monday in February until the third Monday of February. For 2026, the three-day period begins at 12:01am Saturday, February 14<sup>th</sup> and continues through 11:59pm on Monday, February 16<sup>th</sup>. During this Tax-Free Weekend, qualifying Energy Star products are tax-free: air conditioners, clothes washers and clothes dryers, furnaces, heat pumps, boilers, solar water heaters (tax-exempt at all times now), standard size refrigerators, dehumidifiers, programmable thermostats, and compact fluorescent light bulbs. There is no limit on the number of qualifying products you can buy during this tax-free period.

Both the vendor and the buyer must keep a record of the transaction for four years from the date of purchase. This requirement is in addition to all other record-keeping requirements under Maryland law.

Look for details this summer about Maryland's tax-free week on clothing and footwear priced \$100 or less, which occurs during the second week of August this year.

## Edgar Kent Merkle

March 23, 1937 – February 4, 2026

Edgar Kent Merkle of Chestertown, Maryland died peacefully on February 4, 2026. He was 88.

He was born in Washington, D.C. on March 23, 1937, the son of the late Edgar A. and Kathleen Merkle and brother of the late Shirley Ritter. Kent graduated from Georgetown Preparatory School (1955) and Georgetown University (1959). He served his country from 1961 to 1963 as a Lieutenant in the United States Army.

Thereafter, he began his career in publishing at the family business, Merkle Press. In the early 1970's, he left Merkle Press to form a partnership which launched a new publishing company where he stayed until his retirement in 1990.

He married Carole Nadine Suffridge in 1962. They enjoyed a beautiful union until her death in 2023.

Kent took a great interest in Catholic education and served as a Trustee and Chair of the Board of Trustees at The Mater Dei School in Bethesda, Maryland and served as a Trustee at Georgetown Preparatory School. In 1998, he was honored to have received the Insignis Medal from Georgetown Prep. The Insignis Medal, rooted in the Jesuit tradition of "Insignis in domino" — meaning "outstanding service to the Lord" — celebrates exceptional dedication to community and faith. He was a member of Columbia Country Club, Congressional Country Club, Burning Tree Club, and Chester River Country Club. He also was a member of the Knights of Columbus.

Early in his life he had a great passion for golf with a scratch handicap. However, Kent found other ways to spend his time when he and Carole bought a farm in Kent County, Maryland in 1984 and relocated from Chevy Chase, Maryland permanently in 1998. His interests turned to the farm and the wildlife on the Eastern Shore of Maryland. A life-long fan of barbershop quartet music, he joined three other enthusiasts and joyfully sang barbershop for a number of years at local events. He also was proud to have been a member of the Chester River Chorale and enjoyed singing and making music. Kent deeply embraced the motto of being a "man for others" and was loved by all. He will be dearly missed for his affection, humor, intellect, sage advice, and cooking without a recipe.

He is survived by: his children Melanie Merkle Sieber (Kurt) of Chestertown, Maryland and Phillip Merkle (Debbie) of Bethesda, Maryland; his grandchildren Gregory Sieber, Brooke Maxey (Garrett), Madeline Merkle, and Brian Merkle; his great grandchild Kent Richard Maxey; and nephew Lee Ritter (Gina).

A Mass of Christian Burial will be held on Saturday, February 14, 2026 at 10:00am at Sacred Heart Catholic Church, Chestertown, Maryland. The service will be livestreamed. Relatives and friends are welcome to call at the church one hour prior to the service, from 9:00am to 10:00am. Private interment will be held in Old St. Paul's Cemetery. In lieu of flowers, memorial contributions may be made in Kent's name to the Animal Care Shelter of Kent County, 10168 Worton Road, Chestertown, MD 21620.

## Helen Elizabeth "Sis" Williams

November 10, 1944 – February 7, 2026

Helen Elizabeth "Sis" Williams, 81, of Worton, Maryland, passed away at home on February 7, 2026, surrounded by her loving family.

Sis was born in Chestertown, Maryland, on November 10, 1944, to the late Robert S. and Helen Benjamin Hadaway. She grew up in Chestertown and was a graduate of Chestertown High School in 1962.

In September of 1963, she married the love of her life, Harry T. Williams II, and they spent the next fifty years together until his passing in 2014. Shortly after they were married, they moved to the family farm in Worton. Sis found her greatest joy in raising her family and assisting Harry T. with the farm operations at Red Acres. In more recent years, she proudly helped her son expand the farm with their hydroponic and vegetable operations, as well as develop an event venue for the next generation.

Sis was never one to sit idle and loved being actively involved in her community. She was a member of Beta Sigma Phi Sorority, the Questers, and the Republican Central Committee. She also served for many years as a board member of both Worton Union Cemetery and Chester Cemetery. Sis was deeply honored to complete Harry T.'s term as Judge of the Orphans' Court.

Sis enjoyed trips with friends, playing the slots with her cousin Beverly, and spending time with the friends who meant so much to her. Her family was of utmost importance to her, and her kind heart was always welcoming, drawing more and more friends into her life. Her children and grandchildren were the true meaning of life to Sis. The love and closeness they shared was an extension of the deep bond she shared with her mother and sister Bertie.

She is survived by her children, son Bryan Williams (Tracey) of Worton, Maryland, daughter Shelly Hocutt (Russ) of Powell, Ohio, and daughter Heidi DeFabritus (Tony) of Freehold, New Jersey; grandchildren Rachel Nolan (Dave), Bryan B. Williams, Alexis Ecker, Trevin Ecker, JR Hocutt, Nicholas DeFabritus (Colby) and Olivia Elizabeth DeFabritus; step-grandchildren Kaitlyn Hocutt, Hannah Hocutt, and Anthony DeFabritus III; and great-grandchildren Lucy Nolan and Oliver Nolan.

A visitation will be held on Saturday, February 14, 2026 from 11:00am to 1:00pm at the Galena Funeral Home of Stephen L. Schaech, 118 West Cross Street, Galena, Maryland, where a funeral service will follow at 1:00pm. Burial will follow in Chester Cemetery, Chestertown, Maryland.

In lieu of flowers, please consider donations to Compass Hospice for their compassionate care of Sis. Donations may be offered online at <https://compassregionalhospice.org/> or sent to 160 Coursevall Drive, Centreville, MD 21617.

## Garfield Center for the Arts Opens 2026 Season with Stephen King's "Misery"

Garfield Center for the Arts (GCA) begins the 2026 season with an edge-of-your-seat thriller by master storyteller Stephen King. Adapted for the stage by playwright William Goldman, King's "Misery" opens February 20<sup>th</sup> and runs weekends through March 8<sup>th</sup>.

Paul Sheldon (portrayed by Matt Folker) and Annie Wilkes (Brianna Johnson) fight a terrifying battle of wits in "Misery"

The production is sponsored by Peoples Bank powered by Hanscom Federal Credit Union.

"Misery" introduces us to Paul Sheldon, a celebrated writer who has become disenchanted with

his famous literary creation: Misery Chastain, the lead character in a series of romance novels. Wanting to break his reputation free from the Misery series, he decides to kill off the character and move on to greener pastures. After completing the final Misery novel at his cabin in Colorado, he gets caught in a blizzard which results in a terrible car accident. His badly injured body and manuscript are discovered by

ex-nurse Annie Wilkes, who brings him to her secluded home to nurse him back to health. Self-described as Paul's "number one fan", things begin to take a dark turn when Annie, who is already displaying odd and worrisome behavior, reads the new Misery manuscript. Annie's fury over Misery's death erupts, resulting in a psychological and physical battle between the cunning, brutal and devious ex-nurse and her incapacitated victim.

Playing the role of Annie Wilkes is Brianna Johnson. Portraying Paul Sheldon is Matt Folker. Performing as Sheriff Buster is John Mann. Directing "Misery" is JW Ruth, who is also the production's Sound Designer. Assisting with the production is Stage Manager Jordan Dixon, Assistant Stage Manager Dominic Delcoco, Costumer Connie Fallon, Makeup Artist Adrienne Wrona – who also contributed to the production's Special Effects – Lighting Designer Nic Carter, and Macy Morris helping with the backstage crew. The set design is from JW Ruth and Butch Clark, who is also the GCA's Technical Director, and Clark had assistance from Jim Landskroener in the construction of the set.
