## Sally Brompton WEEKLY HOROSCOPE

Your weekly horoscope by Sally Brompton • February 2-10, 2026

**If Your Birthday Is This Week:** You're not much for inner conflict - you are generally happy with who you are and what you want from life - but there will be times this year when doubts start creeping in. Use those doubts to push your expectations to a much higher level.

**ARIES (March 21 - April 20):**

Anyone who suggests that you might like to try a different method or routine is going to wish they had kept their mouth shut. You are in no mood to take advice or admit that you don't know it all. Your ego won't allow it.

**TAURUS (April 21 - May 21):**

If you have to make allowances for a loved one's erratic behavior that's the price you must pay for keeping things sweet on the home front. You can though be a positive influence on them by showing how to get things done without losing your cool.

**GEMINI (May 22 - June 21):**

You may be searching too hard for a solution to a problem that isn't really much of a problem at all. The more others say you need to do something drastic the more you should ask yourself why they seem so desperate to get you involved.

**CANCER (June 22 - July 23):**

The recent full moon could be making you a little bit crazy, especially when it comes to spending money. You don't have to splash out on fancy food and clothes to have a good time. There are plenty of ways to have fun without breaking the bank.

**LEO (July 24 - Aug. 23):**

It's not like you to get overly emotional but the full moon seems to be tugging on your heart strings. It's good that you can feel other people's pain but you don't have to blame yourself for what they are going through. Focus on your own situation.

**VIRGO (Aug. 24 - Sept. 23):**

The more demands you make of people the less inclined they will be to assist you. That may seem unfair seeing as how often you have helped them in the past but if it forces you to stand on your own two feet it's a very good thing.

**LIBRA (Sept. 24 - Oct. 23):**

Step out of the shadows and into the spotlight. You may not want to draw attention to yourself but you can't move up in the world if you are stuck at the back of the crowd. Make full use of the talents you were born with.

**SCORPIO (Oct. 24 - Nov. 22):**

You have a reputation for toughness but there is a softer side to your nature as well and that is the side you need to show now. It doesn't matter what others may have said or done, it matters only that you are willing to forgive and forget.

**SAGITTARIUS (Nov. 23 - Dec. 21):**

Someone you thought you knew very well will surprise you with some of the things they say and do over the next few days. It won't affect you in any adverse way but maybe in future you should look more closely at other people's motivations.

**CAPRICORN (Dec. 22 - Jan. 20):**

Money is always important but it isn't in the same league as love, so if you find yourself having to choose between making a profit or making someone happy this week choose the latter without hesitation. Not everything has a monetary value.

**AQUARIUS (Jan. 21 - Feb. 19):**

The recent full moon is making it easy for you to get to the bottom of why a friend or loved one has been in such a miserable mood. Most likely it's because of something they thought you said. Make it clear to them they were mistaken.

**PISCES (Feb. 20 - Mar. 20):**

Physical activity may be good for you but it could also cause problems if you go too far. The moment you feel that you are overstretching yourself you must slow down and step back from what you are doing. Stay within your comfort zone.

# FLAG Facts

The United States Flag, adopted on June 14, 1777, is the fourth oldest national flag in the world. Denmark's flag, adopted in 1219, is the oldest.

- A flag expert is called a "vexillologist."
- The blue field on the U.S. Flag is called the "union."
- On Memorial Day (the last Monday in May), to honor all who died in battle, the flag should be displayed at half-staff until noon only, then raised to the top of the staff for the remainder of the day.
- Since 1834, the U.S. Flag has flown continuously next to the grave of the Revolutionary War hero, the Marquis de Lafayette, near Paris, France.
- June 14 was proclaimed Flag Day by President Woodrow Wilson in 1916. While Flag Day was a popular celebration in scores of communities for many years after Wilson's proclamation, it didn't receive its official Congressional designation until 1949.

The United States Flag should always be treated with the utmost care and respect. **Remember, the flag represents a living country, and as such, is considered a living thing.**

- Always display the flag with the blue union field up – never display the flag upside down, except as a distress signal.
- It is the universal custom to display the flag only from sunrise to sunset on buildings and on stationary flag staffs in the open. However, when a patriotic effect is desired, the flag may be displayed twenty-four hours a day if properly illuminated during the hours of darkness.
- Always hold the flag carefully – never let it touch anything beneath it: the ground, the floor, water or merchandise.
- Always keep the flag aloft and free – never carry it flat or horizontally.
- Always keep the flag clean and safe – never let it become torn, soiled or damaged.
- Always dispose of a flag properly, preferably through veterans' organizations.
- Always treat the flag with respect.

January 25, 1946 - Chestertown Transcript  
This final issue under the name the Chestertown Transcript will mark the end of a continuous publication under that name without missing a single issue since its establishment in March 1862 by Eben F. Perkins. Mr. Perkins sold the paper to Colonel George A. Hanson. He was followed by Mr. Sullivan who sold the paper to Mr. Casper S. Woodall. Mr. Woodall ran the paper until 1889 when the management was turned over to Messrs. C. Cox Hopper and R. H. Collins. In 1903 Mr. Hopper was succeeded by Thomas D. Bowers, who continued until 1916. At that time, R. H. Collins, bought the remaining interests.

**PRESS RELEASE** from  
Chestertown, Maryland Police Department  
601 High Street, Chestertown, MD 21620 • 410-778-1800

*As with all legal proceedings, it is important to remember that all persons are presumed innocent until proven guilty in a court of law.*

On 01/20/2026, during the early evening hours, the Chestertown Police Department was contacted via telephone by a person who inquired what would happen if he went onto the campus of Washington College and committed a crime of mass violence, specifically if he were to shoot members of the school's administration and Public Safety Officers. The caller provided detailed and specific information that led to the threat being deemed credible.

CPD Officers quickly worked to gain information on the identity of the person and his possible whereabouts. Simultaneously, CPD contacted the Washington College Department of Public Safety and briefed them on the situation. A saturation of uniformed Police Officers responded to the campus in an effort to secure the area and increase visibility. A "shelter in place" order was issued by College officials while law enforcement continued their attempt to gather more information on the caller and locate him.

During the investigation, the caller was identified Grafton Steele Howard, a 25-year-old from Chesapeake City, Maryland. It was learned that Howard was a former student at Washington College. With assistance from the Cecil County Sheriff's Office, Howard was located at his residence in Chesapeake City, where he was taken into custody for an emergency mental health evaluation at a local hospital. Following his release from the hospital, Howard was served with an Arrest Warrant charging him with multiple counts related to the threat of mass violence. He was also served with an Interim Extreme Risk Protective Order, a court order that prohibits him from purchasing or possessing firearms and ammunition for the duration of the order and requires him to surrender firearms and ammunition to law enforcement.

Howard was seen by a District Court Commissioner in Elkton and ordered held at the Cecil County Detention Center without bond. He later had a bail review in front of a District Court Judge in Cecil County District Court and was released on a \$5,000 unsecured bond.

The investigation was led by Sergeant Chris Schwink of the Chestertown Police Department. Assisting agencies include the Kent County Narcotics Task Force, Kent County Sheriff's Office, Washington College Department of Public Safety, Maryland Natural Resources Police, Maryland State Police-Centreville, and the Cecil County Sheriff's Office.

The Chestertown Police Department would like to thank all our allied agencies that came together to prevent a possible mass casualty event. We also thank our community for their support and patience.

## KCPS Calendar Survey Open for 2026-27

Kent County Public Schools is seeking input from families, community members and staff on draft academic calendars for 2026-27. Three drafts are under review by the Kent County Board of Education. A community survey with the draft calendars can be found online at: [www.tinyurl.com/9bdakha4/](http://www.tinyurl.com/9bdakha4/)

The school system's Calendar Committee opened an initial survey in December and accepted responses through early January.

That survey sought input on community priorities like start date, length of breaks throughout the year and the last day of school. Using the results of that survey, the committee prepared three different calendar drafts. This latest survey seeks the community's input on which of the three calendar drafts for the 2026-27 is the preferred option.

The Board of Education has the final vote on the school calendar.

### Garfield Center for the Arts will Hold Auditions For "The SpongeBob Musical" February 3<sup>rd</sup>, 5<sup>th</sup>, and 7<sup>th</sup>

The Garfield Center will be holding open auditions in early February for "The SpongeBob Musical", a family friendly show that will run Fridays and Saturdays at 7pm and Sundays at 2pm from April 17<sup>th</sup> through May 3<sup>rd</sup>. The production will be directed by Abbey Wark, and the production sponsors are Chesapeake Bank and Trust and Kent School.

"The SpongeBob Musical" is based on the beloved animated series created by Stephen Hillenburg and features a book by Kyle Jarrow. It began its development when Nickelodeon commissioned American playwright and theatre director Tina Landau to create a stage show that captured the cartoon's spirit. Instead of a single composer, Landau brought in about 15 artists to contribute original songs, including John Legend, Cyndi Lauper, Sara Bareilles, Steven Tyler, Lady A, Panic! At the Disco, The Flaming Lips, among others, and added additional music by David Bowie, Tom Kenny and Andy Paley. The songs were unified by Tom Kitt's additional music and Jonathan Coulton's lyrics. The end result is an incredibly memorable, fun and inspired soundtrack that helps create the spirit of Bikini Bottom, the imaginary home of SpongeBob and his friends.

The plot was not derived from any of the animated stories but was instead given an original concept. In the show, when the citizens of Bikini Bottom discover that a volcano will soon erupt and destroy their humble home, SpongeBob and his friends must come together to save the fate of their undersea world. With lives hanging in the balance and all hope lost, a most unexpected hero rises up. Can the power of optimism save the world? In Bikini Bottom, everything is possible!

Audition dates will be Tuesday, February 3<sup>rd</sup> at 6:30pm, Thursday, February 5<sup>th</sup> at 6:30pm, and Saturday, February 7<sup>th</sup> at 1pm. Auditions are open to anyone age 10 and up. All roles are available for casting. Auditions will be held at the Garfield Center for the Arts at 210 High Street in Chestertown.

To audition, be prepared to sing a song that demonstrates your singing ability and your range. Singers are strongly discouraged from singing a cappella without accompaniment. A piano is available, but there will be no piano accompanist provided. If an auditor wishes to sing using piano sheet music, they must bring their own accompanist. For karaoke-style accompaniments, a Bluetooth speaker will be provided. The GCA does not have a way to play from CD tracks or thumb drive files, so auditioners should have their playback music ready on their phone to broadcast over Bluetooth.

Readings from provided scripts may occur. Additionally, some auditioners may also be put through a light dance or movement audition, so auditioners should wear regular shoes or athletic shoes.

Character descriptions and additional information are available on the Garfield Center's website at [www.garfieldcenter.org/gcaevent/open-auditions-spongebob-musical/all](http://www.garfieldcenter.org/gcaevent/open-auditions-spongebob-musical/all).

## Newsworthy Notes From You The Readers

### Rotary Club Presents Soup and Sip Donation to Kent County Public Schools

Beverly Birkmire, right, of the Chestertown Rotary Club presents a donation to Dr. Mary Boswell-McComas, left, superintendent of Kent County Public Schools, and the Board of Education from the annual Soup and Sip fundraiser.

The Chestertown Rotary Club presented Kent County Public Schools this month with a donation for its visual arts program. Beverly Birkmire, the club's foundation chair, attended the Board of Education's monthly meeting in mid-January with a check for \$3,500. The money was raised during the club's annual Soup and Sip event, held last October at Chester River Yacht and Country Club.

The club is a frequent booster for Kent County Public Schools, with

past donations to the Makerspace afterschool program and Galena Elementary School's annual One School, One Book reading event.

Birkmire said this year's Soup and Sip organizers chose to focus on the school system's Visual Arts Program.

For the Soup and Sip event, a friendly cooking competition among local chefs, the Chester River Yacht and Country Club was decorated with student artwork. Birkmire said attendees were impressed with the art. "Actually there were several people who asked if they were for sale," Birkmire said. She presented the donation check to Superintendent Dr. Mary Boswell-McComas on behalf of David White, president of the Rotary Club of Chestertown, and Jamie Williams, chair of the Soup and Sip event committee and director of economic and tourism development for Kent County.

### Kent School Invites Families and Young Children to FREE Saturday Morning Programs

Kent School invites families and young children to attend two upcoming Saturday morning programs designed to spark curiosity, creativity, and active play.

Both events are free of charge and open to the public.

On Saturday, February 7<sup>th</sup> Kent School will host Gym

Time: Tumble and Climb from 9am to 11am. Children will enjoy an engaging obstacle course and a variety of movement-based activities set up in the M. W. "Mike" Williams Gymnasium. This program encourages physical development, coordination, and confidence in a fun, supportive environment. Director of Athletics and Facilities Erin Kent said "Sometimes it is hard to get outside and really move in colder months. Gym Time Tumble and Climb is a great way for kids to use some energy and have a ton of fun using our mats, vault, rings, climbing rope and more."

Later in the month, on Saturday, February 28<sup>th</sup> families are invited to attend Osprey Explorations, also from 9am to 11am. This interactive program blends hands-on art activities, science exploration, and a guided nature walk, giving children the opportunity to learn through creativity and discovery. Tricia Cammerzell, Assistant Head of School for Advancement described this event by saying "We have signature academic programs at Kent School and teachers who

are passionate about teaching and collaborating to bring curriculum to life for children. Osprey Adventures is a great example with our very talented Art Teacher, Amy Bower working with our equally talented and energetic Lower School Science Teacher Meghan Ferster to create a meaningful and memorable experience where children will learn through play."

Both programs are best suited for children ages 3 to 6 and are designed to introduce young learners to Kent School's experiential approach to early childhood education. The public is warmly invited to attend, and no registration or fee is required. Please monitor Kent School's social media channels for any schedule changes due to inclement weather.

*As with all legal proceedings, it is important to remember that all persons are presumed innocent until proven guilty in a court of law.*

On January 22, 2026 at approximately 2:30pm, members of the Chestertown Police Department were dispatched to 100 Elmer T. Hawkins Drive for a fight in progress with gunshots fired. The investigation revealed a single victim was assaulted by multiple suspects. During the assault, the victim was punched in the face and was pistol-whipped. The victim stated that he was beaten while being dragged outside the home. Once outside of the residence, several gunshots were fired at the original victim and two of his acquaintances while the suspects fled the area. Witnesses in the area also reported hearing numerous gunshots being fired. The victim was transported to a local medical facility for treatment of his injuries, which included lacerations and swelling.

Based on the victim's statement and identification of two suspects, officers were able to take the pair into custody at a residence in the 400 block of Calvert Street. They are identified as: Mehki Jordan Bordley-Reeves and Mehki Terrence Jenkins. Bordley-Reeves, 17 years old, of Chestertown, Maryland was charged as an adult with the following: attempted second degree murder (three counts), assault-first degree (three counts), assault second degree (three counts) reckless endangerment, handgun on person, loaded handgun on person, and use of a firearm in the commission of a felony/violent crime, and was held at Kent County Detention Center without bond. Further investigation revealed that two nearby homes were struck by gunfire during this incident. Each was processed, and evidence of the crime was recovered at each location. Additionally, A search warrant was obtained for the residence where the suspects were in the 400 block of Calvert Street. Evidence was recovered from that location also. Brief shelter-in-place notices were issued at H.H. Garnet Elementary School and Washington College.

No other injuries were reported. The investigation is continuing and is being led by Sergeant Chris Schwink. Anyone with information is encouraged to call the Chestertown Police Department at 410-778-1800.

## The Mainstay Presents "History of Praise: An African American Legacy"

The Mainstay in Rock Hall is proud to present – as its opening concert of the season in honor of Black History Month – "History of Praise: An African American Legacy", a gospel concert celebrating the enduring power of African American worship, music, and cultural history. The concert will begin at 7:30pm on Saturday, February 7<sup>th</sup>.

From the fields of bondage to the campgrounds of revival, from humble churches to the grand stages of Broadway, gospel music has carried the voice of a people. It is the language of fortitude, born of struggle and lifted in triumph. Through spirituals first whispered in hush arbors, through bold call and response that gathered voices as one, through songs that carried hidden messages of hope and freedom, African American praise has always been more than music. It is resilience made audible and joy made visible.

*Karen Somerville* The concert follows a historical and musical arc that traces the progression of African American worship from bondage to the Civil Rights era and beyond, shaping a living legacy expressed through scripture, testimony, and song.

History of Praise is structured as a journey through styles and eras, blending unaccompanied a cappella tradition, gospel quartet roots, and the sanctified sound that swings with jazz and blues. Featured selections include music shaped by the call and response tradition that influenced work songs, spirituals, gospel, and blues.

The concert also honors the powerful evolution of gospel quartet singing, a style that emerged after slavery and grew through groups such as the Fisk Jubilee Singers. That tradition continues through beloved contemporary gospel classics including "Something About the Name Jesus" and "Hold On." A special segment highlights Duke Ellington's Concert of Sacred Music.

The evening's performers will bring this story to life with artistry, scholarship, and deep spiritual conviction. Karen Somerville leads the way as founder of the acclaimed vocal trio Sombarkin', known for expressive harmonies and sophisticated vocal interplay across spirituals, blues, and jazz. Bishop Leon Frison serves as Master of the Ceremony, bringing a remarkable legacy as a trumpet artist, arranger, producer, and pastor whose career spans award winning gospel projects and major performance halls. Joining them are powerful voices and outstanding musicians including soprano Portia Turner, Reverend Denise M. Jones, and a gifted band featuring Gerry Werner on piano, Jeff Davis on bass and guitar, Anthony Turk Cannon on saxophone, Chris Copper on drums, and flutist DéJaneé Jones.

History of Praise invites audiences to hear more than songs. It is a cultural story told through sacred sound, a legacy shaped by faith and survival, and a celebration of how praise has carried generations forward and continues to sing through us today.

The event begins at 7:30pm on Saturday, February 7<sup>th</sup>. Tickets are \$25 and are available by calling 410-639-9133 or visiting [www.mainstayrockhall.org](http://www.mainstayrockhall.org). The Mainstay is located at 5753 North Main Street in Rock Hall.

**Dr. Truth®**

### Dear Dr. Truth:

My husband has been having a drink on a regular basis since the holidays. Well, he stinks, he doesn't brush his teeth before bed, and the smell of his whiskey breath makes me sick. I act like I'm asleep every night. If I as much move a toe he jumps my bones. Every time I hear his feet on the steps my stomach turns. I want my old husband back. I don't mind a beer or two, but the liquor is another ball of wax. Please help me.

### Stranger in the Night

I truly sympathize with you. Have you told him he is making you sick and destroying your sex life? I would think that he is beginning to figure that part out. You need to set him straight... **AND THAT'S THE TRUTH!**

2 Lbs Fresh Spinach, or 2 bags, chopped  
4 Tbsp Unsalted Butter  
1 Small Onion, finely diced  
3 Cloves Garlic, minced  
4 Oz Cream Cheese, softened  
1/2 Cup Heavy Cream  
1/2 Cup Grated Parmesan Cheese  
1/2 Cup Shredded Mozzarella Cheese

In a large skillet, melt butter over medium heat. Add onion and cook until soft, about 3 to 4 minutes. Add garlic and cook 30 seconds until fragrant. Add spinach and cook until wilted. Drain excess liquid very well and chop the mixture finely.

Return spinach mixture to the skillet. Stir in cream cheese and heavy cream until smooth and creamy. Add Parmesan, mozzarella, nutmeg, salt, and pepper. Mix until fully combined.

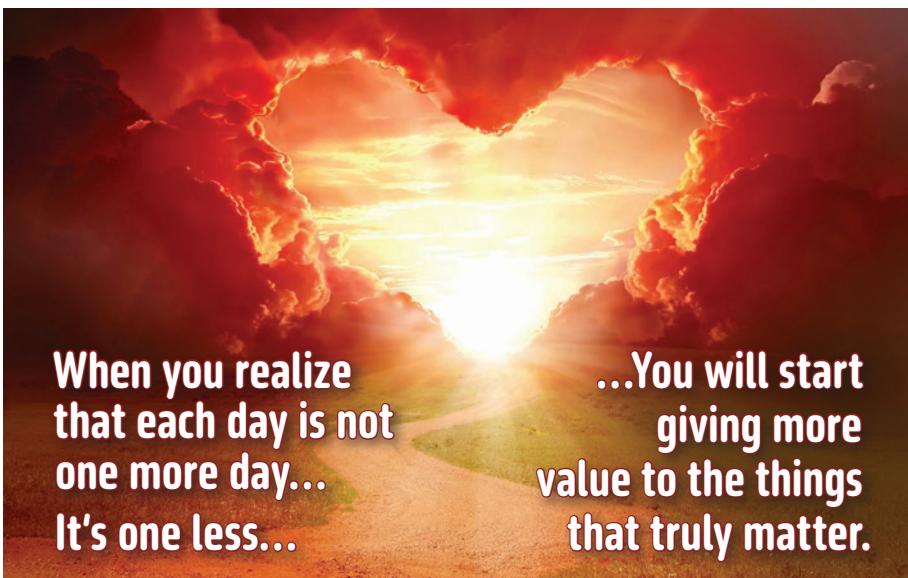

Spread mixture evenly into the prepared baking dish.

In a small bowl, mix Panko breadcrumbs, melted butter, and Parmesan. Sprinkle topping evenly over the spinach mixture.

Bake uncovered for 20 to 25 minutes, until bubbly and golden on top. Broil for 1 to 2 minutes, if desired, for extra crispiness.

For extra flavor, add a pinch of cayenne or a splash of white wine to the spinach while cooking.

**Can't find a Doctor?**

**What is HealthChoice?**  
HealthChoice is Maryland's Medicaid managed care program. Most people who qualify for Medicaid are required to enroll in a Managed Care Organization (MCO). It is best to select an MCO that your doctor participates with. If your doctor does not participate in the MCO you select or are assigned to, you will need to choose another primary care doctor (PCP) to oversee your medical care.

## What is a HealthChoice MCO?

An MCO is a group of doctors, clinics, and other health care providers who work together to take care of HealthChoice members health care needs. MCOs are responsible to provide or arrange for most of your health care services including most pharmacy services. Some services such as mental health and substance use disorder services and certain drugs are covered by the State and not your MCO.

**The Administrative Care Coordinator serves as a local resource for all HealthChoice members. The ACCU can:**

- Help you understand your HealthChoice benefits and how to access services
- Explain your MCO choices
- Help you find a primary care doctor or specialist in your MCO's network (You can change PCPs at any time.)
- Help you find a dentist (Dental services for children and adults are covered through the Maryland Healthy Smiles Program.)
- Help link you to Medicaid transportation services (MCOs are not required to provide transportation.)
- Help you get your prescriptions filled
- Explain the health care services you can get out of network and without a referral, like prenatal care (if you already started prenatal care) and family planning services
- Explain your annual right to change MCOs

Target populations include children, pregnant and postpartum women, individuals with disabilities (physical, mental or developmental), and homeless individuals. The ACC can help anyone who is eligible for HealthChoice.

## Ombudsman

The local Ombudsman acts as an advocate for your health care needs. An Ombudsman may contact you when there are complex medical issues

involving care coordination with the MCO. The HealthChoice Program may also request that an Ombudsman contact you to ensure that any complaints that you have about your health care or MCO have been resolved.
